Cannonball Castle, fortress of the enemy redcoats, sits high atop Nutcracker Hill. It is your mission, as a rebel soldier, to climb Nutcracker Hill and destroy the castle. Not so fast though - there are many traps and obstacles designed solely for your elimination. Rough terrain and enemy troops are bent on your destruction, and a constant rain of cannonballs could cause a fatally large headache. Many men before you have tried and failed, so it's all up to you...

Cannonball Blitz is an exciting new arcade game that will have you climbing the walls (the walls of Cannonball Castle) over and over again.
